The Group assessed the recoverable amount of Goodwill at 30 September 2014 and determined that, as of this date, there is no indication of impairment of Goodwill. The recoverable amount was principally calculated on the basis of revised five years financial business plan.

The business plan also includes a comprehensive analysis of the existing operational deployments of the Group along with strategic direction of future investments and business growth. Discount rate of 16.3% was used for the calculation of net present value of future cash flows. The cash flows beyond the five years period have been extrapolated using a steady 5% growth rate which is consistent with the long-term average growth rate for the industry.

Based on the above revised business plan and continued support from the Holding Company, the Group will be able to meet its obligations and will be able to achieve satisfactory level of profitability in future.

13. Contingencies and commitments

Contingencies

There is no significant change in contingencies from the preceding annual published financial statements for the year ended 31 December 2013 except for the following:

(i) During the current period, a demand of Rs 1,059.595 million (including default surcharge of Rs 325.849 million) was raised against the Group under section 161/205 of the Income Tax Ordinance, 2001 ('Ordinance') for the period relevant to Tax Year 2012 alleging non-compliance with various applicable withholding provisions contained in the Ordinance. The managment assailed the subject order in usual appellate course before Commissioner Inland Revenue (Appeals) ['CIR(A)'], during the pendency whereof an aggregate recovery of Rs 50.07 million was made by the department. Group's appeal was disposed by CIR(A) through appellate order dated 16 May 2014, and while major issue forming basis of demand was principally decided in department's favour, for reappraisal of certain facts, the assessment order was remanded back for adjudication afresh. Managment has preferred further appeal against CIR(A)'s order and since, it considers that Group's position is based on meritorious grounds, both legal and factual, no provision has been made in this interim financial information.
